EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas McWilliams on March 31, 2005.

The application has been amended as follows:

In claim 1, line 3, "suitable for" has been changed to --capable of--;

In claim 1, line 5, "suitable for" has been changed to --capable of--;

In claim 1, line 7, "suitable for" has been changed to --capable of--;

In claim 17, line 3, "suitable for" has been changed to --capable of--;

In claim 17, line 5, "suitable for" has been changed to --capable of--;

In claim 17, line 8, "suitable for" has been changed to --capable of--;

2. The following is an examiner's statement of reasons for allowance: The original claim language stated that the non-shrinkable label was "suitable for" covering a portion of the cap. Applicant stated that this was intended to imply that the non-shrinkable label was capable of covering a portion of the cap, which the prior art of record does not disclose or suggest. The Examiner suggested making this language explicit, and this was done in the above amendment.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

Art Unit: 3611

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary C Hoge whose telephone number is (703) 308-3422. After April 5, 2005, the examiner's telephone number will be (571) 272-6645. The examiner can normally be reached on 5-4-9.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lesley Morris can be reached on (703) 308-0629. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
